#### Empathy Map Canvas:

An **Empathy Map Canvas** for *Streamlining Ticket Assignment for Efficient Support Operations* helps teams visualize and understand the daily experiences, challenges, and motivations of support agents and customers within the ticketing workflow. It captures how agents think, feel, and act while managing tickets — revealing areas of frustration such as uneven workload distribution, delayed responses, or unclear prioritization. By mapping these insights, teams gain a clearer understanding of the human factors that impact efficiency and service quality.
